06.07.2025, 18:24

KARUZELA Shopping Centre sits at the river Wrześnica in the centre of the city of Września. The facility hosts the re-opened Września Main Bus Station, operating since 1990. The Bus Station was integrated with KARUZELA Shopping Centre by sectioning off a designated area in the building and constructing bus facilities. Our task was to provide comprehensive BMS and facility automation.

Project highlight:

Facility with a Bus Station

Installations:

 Automation

Completion date:

2017

KARUZELA Shopping Centre
